

# I NEED YOUR PRESENCE

## *Chorus*

G            Gmaj7 D/G  
I love Your presence Lord  
C2            G/C    G2/C  
I need Your presence God  
Am7           Dsus           Em (D/F#)  
I love Your holy breath in me

## *Verse*

G                            Gmaj7 C                            G  
I hear You calling me            and I won't delay  
G                            Gmaj7 C                            Dsus  
I hear You speak my name,            to come away  
Em                            C                            G                            Am  
I don't want to go, unless your Spirit rests on me  
Em                            A7sus                            Am7                            Dsus  
I can't make it on my own, I need your wings to cover me
