

# Shooting Stars

## *Verse 1*

A D  
You're the sweetest thing I've ever seen radiant beauty  
A D  
You come to me with destiny you wrap me around your dream

## *Prechorus*

F#m E/G# A  
All my days Your eyes have seen  
F#m E/G# D Dm  
All my ways are just like memories

## *Chorus*

A D G  
I see shooting stars around me  
A D G  
Inviting me into this dream  
F#m E/G# D  
Heaven swirling all around me  
C#m D A  
Dancing with you through galaxies

## *Verse 2*

You set me free, just to be, what you made me  
And the flame in me had become the key unlocking all my dreams

## *Bridge*

D E F#m E/G# D  
The whole earth filled with heaven and every common bush ablaze  
E F G A D G  
And those who take the time to see will find heaven in this place
